An exciting opportunity has arisen for a risk and compliance professional to oversee, maintain and implement practices and processes relating to health and safety at Guilford Young College. The position is customer focused and is responsible for the provision of reliable and contemporary WHS practices.

Key priorities for this "hands on" role include:

- Being the "go to" person for WHS matters.
- Developing and implementing continual improvement to College WHS practices.
- Furthering the College's safety culture, WHS focus and legislative compliance.
- Maintaining best-practice safety and risk policies, procedures and guidelines for the College.
- Preparation of reports and statistics for management and governance purposes.

If you have a desire to make a difference, formal relevant qualifications, industry experience and strong inter-personal skills, your application for this position would be welcomed.

Closing Date: Monday 7 March 2016

An application form and position description are provided under the positions vacant section of the Guilford Young College website:
