

Health and Pastoral Care Information 2019

Dear Parents/Guardians,

Upon initial enrolment of students parents were given the opportunity to indicate any academic, health or personal issues that may impact upon their daughter's or son's learning. To promote the best possible care of our students, please take this opportunity to provide any additional information that may assist a smooth transition to College and help us to provide them with the necessary support.

Any information you provide will be held in the strictest confidence.
