Young  
College

## Student & Family

### Dates to remember

#### JULY

- 2 Term 2 concludes
- 2 2022 Enrolment applications due
- 19 Term 3 commences
- 21 - 23 Outdoor Leadership Hartz Peak
- 23 Online Course Selections due

#### AUGUST

- 18 Strictly Ballroom commences

### Info for students and families

#### YEAR 12 ONLINE COURSE SELECTIONS 2022

All current Year 11 students have been sent an email with details to make Year 12 2022 Preliminary Course Selections.

Please complete this process by Friday 23 July.

#### UTAS - FREE TASTER PROGRAM

The University of Tasmania (UTAS) has an opportunity for a few students to join with St Brendan Shaw students on a 2-DAY UTAS campus/activity taster day. On **Tuesday 20 July and Wednesday 21 July**.

This is a great opportunity for a few students to see the Hobart-based campus and some accommodation providers whilst also participating in some great hands-on activities.

This is a must if you aren't 100% sure about what you want to study next year and it will give you a chance to see the wide range of opportunities at UTAS.

For more information- contact Deb Winton Pathway and Careers Counsellor

#### VICTORIA UNIVERSITIES OPEN DAYS

- 25 July Monash University Virtual
- 28 July Monash University Virtual
- 31 July CQ University Virtual
- 1 August Marcus Oldham College On campus
- 1 August Swinburne Institute of Technology Virtual
- 7 August Monash University (Peninsula) On-campus
- 8 August Monash University (Clayton & Caulfield) On-campus
- 14 August CQ University Virtual
- 15 August The University of Melbourne On campus
- 15 August Monash University (Parkville) On-campus
- 18 August CQ University (Melbourne) On-campus

# Ministry

## NAIDOC WEEK

While NAIDOC week falls in the first week of the holidays, we will be celebrating NAIDOC week this week at GYC. Thank you to the Ministry Team for organising the NAIDOC Week assembly on Wednesday.

The NAIDOC 2021 theme – Heal Country! – is a theme close to the heart of the experiences we have been offering our Aboriginal and Torres Strait Islander students as

well as our Tasmanian Aboriginal Studies and First Nations students this year. Students are passionate about supporting sustainable practices and have been working with Karri Tope and SVC staff to learn about sustainable fire stick practices as well as visiting several cultural sites of significance with elders and cultural heritage officers.

The theme calls for all of us to continue to seek

greater protections for our lands, our waters, our sacred sites and our cultural heritage from exploitation, desecration, and destruction.

As a part of the early celebration of NAIDOC Week each campus had a NAIDOC Week themed Campus Assembly where the 2021 theme of Heal Country was reflected upon. At the Hobart Campus we were fortunate to invite Tasmanian Aboriginal elder, song writer and artist, Uncle Dougie Mansell in to sing to us at assembly. Uncle Dougie is a welcome presence in our College, and we have enjoyed hearing his stories of his childhood and life mutton birding on Cape Barren Island.

## EDDIE RICE HOLIDAY CAMP OFFERING

Eddie Rice Camps are offering you the opportunity to be a mentor to a disadvantaged child during the holidays. This information was sent by Brendan Webb with the link to get more information If interested please contact Brendan Wedd (Eddie Rice Coordinator) through the link or the Directors of Faith and Mission on your campus.

In the next school holidays, we have a five day program that is easy to participate in for a first time Eddie Ricer and we have received an overwhelming amount of applications from

# Ministry

the young child in need in our community (well over 70 have applied to be chosen). We would like to extend this call out for more volunteers as this is an unprecedented demand for service. If you could please circulate the following link to anyone 16 years and older in your community who you think may be in a position to benefit others that would be appreciated.

## Funfest Volunteer

Link; <https://forms.gle/HcNw8N9LpMg4Tkvy8>

## VINNIES BOOK DRIVE

St Vincent de Paul are on the hunt for books and we need your help. This book drive will run into early Term 3 and donations can be made at each campus. Donations can also be made directly to your local St Vincent de Paul or call 6234 4244 for large collections. Thank you for your support.

## VINNIES INVITES YOU TO BE A BUDDY FOR THE DAY

**Inter School Holidays Catch Up**  
Date: Thursday 15 July, 10pm - 12:30pm

**Where: Multicultural Hub, Moonah - 65 Hopkins Street, Moonah**

Come along for a morning of fun and catch up with students from other school groups. Get an

update on Vinnies Activity, share ideas and discuss plans for the upcoming Vinnies year. Lunch will be provided!

All Welcome please RSVP by sending an email to **melitta.hopkins@vinniestas.org.au**

Vinnies Youth are offering you the chance to make a difference in someone's life. Attached is the information about the school holiday Buddy Program if interested please make contact with Melitta Hopkins Youth Coordinator; **melitta.hopkins@vinniestas.org.au** | [www.vinnies.org.au](http://www.vinnies.org.au)

Other activities to remember (come along to the Just Act Student Committee meetings on your campus to find out about more ways you can be involved).

**Tuesday 3 August** Homeless Week Awareness Breakfast 7.30am

**Friday 17 September** School Sleepout

**Friday 27 August** Interschool Quiz Night

## VINNIES SURVIVAL PACKS

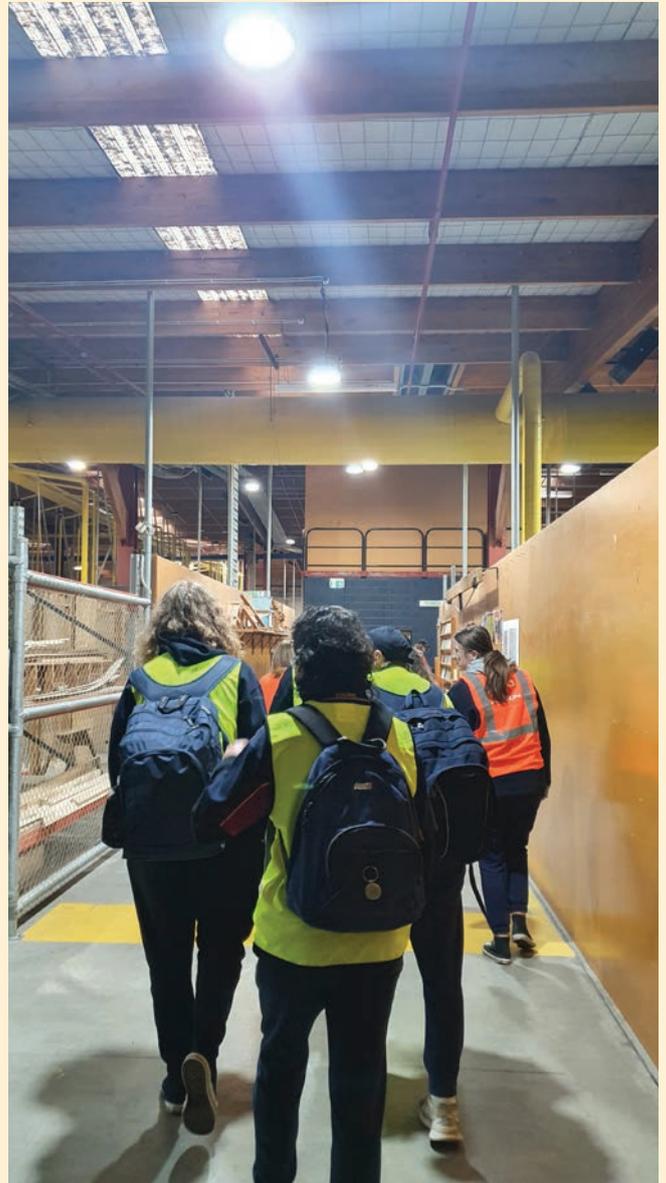

Faith in Action classes have assisted St Vincent de Paul in the making up of survival packs for the homeless in our PAC at Hobart Campus this week. Many hands have indeed made light

work and the students have enhanced their understanding of the plight of the homeless in Hobart through this activity and engagement. Well done Ms King and Mr Brownless' FIA classes for assisting.

## THANK YOU ST THERESE'S CATHOLIC PRIMARY SCHOOL

St Therese's Catholic Primary School has hosted both Mrs McManus' FIA class and Mrs Henry's Working with Children class at St Therese's each Thursday of this term. We have been made very welcome and found the staff and students to be engaging and hospitable to our students as we complete our necessary outreach and study this term. As a thank you gift we have donated a voucher for some plants for the Kindergarten and we look forward to returning to visit to see what is growing there in future. Thank you to Principal, Mrs Barracin and the hard working and dedicated teaching, support and office staff at St Therese's Catholic Primary School.

**Mrs Simone McManus and Ms Kylie Sullivan**  
Directors of Ministry

## Work Readiness

-

## Class Excursion

Students attended both the Clarence and Campbell St campuses for an exclusive tour through the range of courses available to them after Year 12 at Tas TAFE. Students saw a range of facilities from Hair and Beauty, Automotive, Horticulture and Trade Training as well as the Early Childhood and Introduction to Nursing programs.

Careers Counsellor, Deborah Winton, also attended and provided students with valuable insight into the process and programs available for students to continue their studies after Year 12.

**Ms Sarah Young**  
Teacher

## Faith in Action

During our service we were expected to mentor our buddies by demonstrating good behaviour, helping them with their work and getting to know them while being a person they can trust. Each Thursday the class either caught the bus or a taxi to and from Austin's Ferry. Some activities I did with my buddies were a school tour, a STEM activity, joining in on history classes and helping with reading and other class activities.

**Libby Baker**  
Student

Glen offers audiences profound experiences of meaning and identity; shifting perceptions, challenging boundaries, and motivating positive change and we are fortunate to have him present to our Hobart and Glenorchy campuses his one hour Hope Express seminar. This session is one of empowerment and positivity. We know that our students are living and inheriting an increasingly complex world – socially, environmentally and politically. It is a world that causes many to flounder and right now, it is also a world where things feel incredibly uncertain. For young people this can lead to a struggle to stay positive and hopeful.

In addition to having Glen speak to our students we would like to offer you, their parents, and parents in the Hobart community, the opportunity, free of charge, to hear Glen's Positive Parenting Seminar. Guilford Young College has secured a grant through the Tasmanian Catholic Schools Parents Council (TCSPC) to support this additional seminar and to help us further engage with our parent community. Glen shares the five fundamental positive parenting tools, based on positive psychology research. Our hope is that you will leave feeling equipped to better connect with your children and to empower them to tackle this complex world.

**Registration for this event will be required and will be possible via a link on our web page or through clicking the poster below.**

**Home - Guilford Young College ([www.gyc.tas.edu.au](http://www.gyc.tas.edu.au))**

**If you have any queries please email**

**[Soyia Bacic sbacic@gyc.tas.edu.au](mailto:sbacic@gyc.tas.edu.au)**

## THE HOPEFULL INSTITUTE

## Wellbeing - Parent Seminar Positive Parenting

In 3rd term Guilford Young College will be hosting Glen Gerreyn from the Hopefull Institute. Over the past 20 years Glen has shared his message of hope with over a million people around the world; engaging with students, parents, teachers, employees, sporting groups and community leaders. Glen has been invited to speak at TEDx events and on national TV and radio. He has authored five books and created the 'Men of Honour X' character development course.

## HOW TO RAISE A TOUGH TEEN

In his article *“How to Raise a Tough Teen”*, Glen discusses how helping teens improve their ability to be proactive, how developing their hardiness and how teaching them to take action, can result in them being better able to navigate their future pathways and to feel positive and engaged in the world they live in.

Link to ‘How to raise a tough teen’ article below

<https://www.glengerreyn.com/how-to-raise-a-tough-teen/>

### IN THIS ONE HOUR SEMINAR, GLEN WILL SHARE FIVE FUNDAMENTAL POSITIVE PARENTING TOOLS

You'll leave feeling equipped with the skills to better connect with your children and to empower them to tackle a complex world.

Glen Gerreyn has to date spoken at over 500 schools around the world. He's the author of four books, including the children's book 'Gifted for Greatness'.

As a father of four, Glen understands first-hand how parenting can indeed be one of the toughest jobs in the world. He also knows how rewarding it is to see his children growing up feeling loved, re-assured, and closely bonded to their parents.

#### DATE AND TIME

Tuesday 27 July | 6pm to 7pm

#### LOCATION

Don Bosco Theatre, Glenorchy

Come along to Glen's 'Positive Parenting' talk on Tuesday 27 July at our Don Bosco Theatre from 6pm to 7pm

## Type 1 Diabetes Message from Student Leader Eli Morrison

Type 1 diabetes is an autoimmune condition, in which the immune system is activated to destroy the cells in the pancreas, which produce insulin. It is different to Type 2 diabetes because it is not, caused by a poor diet or poor fitness. There is more of a focus on Type 2, so sadly awareness of Type 1 is often hidden, and some people do not even know it exists.

To manage Type 1 diabetes, you need to do a blood tests and count how many carbohydrates you eat. It is a common misconception that diabetes relates to sugar but in reality it is carbs that are the focus. You also must have regular appointments with doctors and paediatricians. Because the body doesn't create its own insulin, you have to give yourself multiple insulin injections with as many as six injections a day.

Although there is no cure you can help by having a healthy balanced lifestyle. If you don't take care of yourself you can get really sick and have to go to the hospital it can lead to poor function of other organs like the liver. If left unchecked for a long time it can even lead to death.

An estimated 1.2 million Australians had diabetes in 2017--18, an estimated 4.9% of the population. This is a scary statistic, and it shows how many people suffer often in silence with this life-consuming disease. Sometimes it's like doing all the things you do in normal life but while balancing a balloon, always trying to keep it in the air. It's how some people manage it so well that often isn't seen, so it's time we start talking about it.

This year Medtronic Diabetes -- Aus, has come up with the idea to have the **\T1D BALLOON CHALLENGE**. **All you need to do is take a photo of yourself balancing a blue balloon, while you do something normal in your day.** This can be something like brushing your teeth or making your breakfast. Once you take this photo post it online with **\T1DBALLOONCHALLENGE**, and tag **Medtronic Diabetes -- Aus**, this can be on Facebook or Instagram. If you want to take part do this over the holidays.

In the first week of Term 3 we will take a whole school photo with everybody holding balloons in assembly and compile all the photos taken over the holidays. The idea is to raise awareness and make sure people know how it feels to deal with this challenging disease.

Thank you,  
Eli Morrison.

Term 3 Sport Trials for Netball and Soccer: Continue Week 1 Term 3

State Basketball Championships: Launceston 24 and 25 July

Term 3 Sporting Rosters: Start Week 2 Term 3

Southern SATIS Athletics Carnival: Domain Athletics Centre, Tuesday September 7

State SATIS Athletics Carnival: Domain Athletics Centre, Saturday September 18

Winter State Finals Wednesday: September 22

## Girls Hockey

(written by Mrs Bec Clifford - Coach)

The GYC 1st Girls Hockey team for 2021 was full of exceptionally talented young women. With many of the players in the Southern Premier League Teams and State U21 or U18 teams, the depth was extraordinary for a school team. The girls were always inclusive of all players and worked well together as a group throughout the season. We would like to thank Emily Sheen from the 2nds team for filling in for a few games to help make up the numbers.

The Southern Hockey Div 1 Grand Final was a tough game. Friends also had many quality players and they were not ready to give the game away when we were two nil up in the second half. GYC goals scored by Emma Fenner and Maddi Brooks. Friends came hard at us and managed to score a goal after a 2 on 1 with our keeper and Vice-Captain, Cami Vaughan (this was the first goal all season against us!). The GYC girls rallied and maintained possession through the midfield expertly guided

by Captain Lauren Canning, Taylor and Maddi Brooks. Maisie Tully, Ellie McDonald and Olivia Farrell worked hard in defence to keep Friends out while Tessa King, Ansa Le Grange, and Sarah Wilson-Haffenden never stopped trying to penetrate the circle! 2-1 victory in the end was well deserved.

The girls will now go on to contest the SATIS State Final in Term 3.

## Girls 2nds Hockey

(written by Mrs Mel Brown - Coach)

The GYC Girls 2nds finished the roster second place behind Friends to qualify for the Grand Final. This team was a mixture of people not playing hockey before, with others returning to the sport after a long break and a couple of students who wanted to play hockey at a more social level. The Captain, Maisie Sansom and two Vice-Captains Jenna Stacey and Lu Van Staden consistently demonstrated excellent leadership helping many of the players to develop confidence and skill.

In the Grand Final, Friends started very strongly, putting a lot of pressure on the defence. Sam Tomes-Park played an outstanding game and was clearly one of the best players making several crucial saves. Sam was joined by Maisie, Dominique Ford, Emily Vaughan and Mietta Burton in defence. They worked effectively together shutting down Friends attack. The first goal

was scored from Maisie through a penalty corner. The mid-field players, Lu, Bec Flinn and Bridget Williams made some excellent passing while applying solid pressure on the Friends attack. Through some excellent passing, Zoe Brown, Gabs Foale and Emily Sheen worked well together to score some very pleasing field goals. After a very close game GYC managed to win 5-1. Congratulations to this fabulous team who were a joy to coach.

## Boys 1st XI Hockey

The Boys Hockey team continued to play the season with positive spirit supporting each other to play well. GYC started very strongly against the combined Colleges to score the first two goals with domination. It was great to see the Captain Tom Rasmussen taking the field for the first time after sustaining an ankle injury during the warm-up in the first game. Tom was joined by other experienced players Chris Colrain and Angus Cooper making many skilful passes. Ned Ward, Fearghas Cameron-Sharpe and Callum Lancaster played well up front while Bailey Cohen, Josh Mee and Angus Sansom were solid in the midfield and defence. Dom Rose played his first game in goals and did a great job against the first placed team.

# Sports News

There were two college Girls Volleyball rosters run by SSATIS this Year. GYC had two teams, one in each division and many of these girls had not played volleyball at competition level before. Mr Jarrod Purdy, Mrs Anita Manners and Ms Jane McDonald lead the two teams with enthusiasm and passion. After a few training sessions the improvement was very pleasing and both teams finished on top of their respective ladders. The Captain of Girls Volleyball and very experienced player, Bec Flinn was instrumental throughout the season. After some excellent rallies the GYC Gold Team defeated the GYC Blue Team. Congratulations to all the players who committed throughout the season. Thank you also to Joe Kelly for his umpiring each week.

## Water Polo

The Girls Water Polo team are having an enjoyable season. They continue to work hard in defence and threaten up front. The score does not always reflect the efforts and achievements. Last week they went down 17-3 against the very accomplished Hobart College. The GYC girls defended with commitment and

determination and once again a great effort by all.

The GYC Boys Water Polo team have continued to dominate the season with a win against the combined Colleges and a forfeit by Friends Blue. This Team has been outstanding all season with powerful passes all around the pool, producing excellent attack and reliability in defence. With one game left in this roster, Hunter Wright and Harry Fisher as co-Captains will look forward to leading this team into the finals during Term 3.

## 1st XVIII Boys Football (written by Mr Blair Brownless - Coach)

The GYC First XVIII Boys Football team won the statewide SATIS title with a convincing 26-point win over Scotch Oakburn at Twin Ovals on Saturday 26 June. The team has now won back to back Premierships and remains undefeated for a two-year period, which is a remarkable effort. Scotch were gallant in defeat and were within 7 points at the half time break. A powerhouse third quarter from GYC set up a comfortable win in the end. The game was played in perfect conditions at the picturesque Twin Ovals complex and this allowed the GYC team to exhibit their great skill level. The team was well led by captains Darcy Gardner, Dom White and George McLeod and featured six Devils players who elected to play for the College rather than representing their State for that weekend. This was an amazing show of commitment to the College as did all other players who missed a game of club footy to represent Guilford Young College.

Special thanks to assistant coaches Peter Di Venuto and Michael Gowans for their outstanding commitment to a very busy statewide program. Melissa Brown also excelled in her role as Team Manager.

### Goals

3 M Lamb

2 B Griggs

1 R Borsboom, L Arnold, S Wright, N Holmes, J Fahey, D Gardner & S Brown

Best Players: B Alomes, D Gardner, G. McLeod, M Lamb, C Rawnsley & H Fisher

## 1st XVIII Girls Football

### GYC ties with Marist in thrilling draw

In a hard fought, physical contest the girls came from 11 points down at time to draw level at full time. With one goal each in extra time the scores were still toed and hence the trophy shared.

The game started with Marist dominating field position but again the defence of Cassie McLoughlin, Amity Chick, Tala Atkinson and Kiera McCoull stood firm. Captain Chelsea Thomas and Vice-Captain Claire Ransom were sensational all game and were out performing the talented Marist midfield. Emma

## Sports News

Upton amazingly got the better of a much taller opponent in the ruck which helped pile on the clearances. Two goals during the game to Lucy Roberts helped up forward. A solid term from Marist tilted the match in their favour by time. "It might not be your day, but it might be your moment" was the first piece of inspiration from coach Mr Di Venuto. More coaching genius had Lavinia Summers switched into the ruck where she dominated. The moment that Di Venuto eluded to was provided by a brilliant move from Cassie McLoughlin who dashed off the backline to receive a pass in space. She drilled the footy into the forward line and Claire Ransom finished the job with a motivational goal.

### 4.4.28 to 4.4.28

Best Players:

Claire Ransom  
Chelsea Thomas  
Amity Chick  
Cassie McLoughlin  
Emma Upton  
Lavinia Summers  
Talia Atkinson

### Goal scorers:

Lucy Roberts  
Claire Ransom

### Canoe Polo

Guilford Young College had a great season playing canoe polo. At the conclusion of the roster, the team finished on top of the ladder. They played against Hobart College in the Grand Final and scored eight goals to Hobart's one. It was a great effort by all the players and an enjoyable season had by all. Jacob has had an outstanding season and is looking forward to the outcome for the selections for the Nationals and Oceania competitions.

### The All Schools Cross Country

The Tasmanian Secondary All Schools Cross Country was held at Symmons Plains on Tuesday 29 June. Due to the event being straight after the mid-year exams, GYC only had three competitors at this event. They all ran extremely well and the College was very proud of their efforts. In the Men's U18 Division, Haney Mokonen continued his domination with his running this year finishing 1st place running the 6km distance in 19.44 minutes. While in the last run of the day, the U18 Girls 4km event, Ansa Le Grange finished 7th place running 17.41 minutes while Anabelle Raymond finished 11th in 18.31 minutes.

### Term 3 Sport Trails

Term 3 looks to be another term with many sporting teams wearing the GYC uniform. Trials and final selections will occur during the first week back in Term 3 for the following sporting teams:

#### Boys 1st, 2nd and 3rd Soccer:

Tuesday July 20 from 2:45 - 3:45

#### Girls 1st, 2nd and 3rd Netball:

Tuesday July 20 from 2:45 - 3:45

#### Girls 1st and 2nd Soccer:

Thursday July 22 from 3:30 - 4:30

#### Other sporting teams will include

Boys 2nd XVIII Football,  
Boys Rugby,  
Badminton  
Athletics.

### Congratulations to the following students:

Maddi Hay, Ash Turner, Jess Scott, Georgia Pyke and Alexia Smith for being selected by Netball Tasmania to participate in the 17U & 19U National Netball Championships being held in Hobart from Tuesday 6th July 2021.

### Compiled and written by Mrs Mel Brown Sport Coordinator
