PRINCIPAL'S MESSAGE

Dear Parents, Carers and Students

Last week was, without doubt, one of the toughest we have faced in our relatively short history at GYC and one of my toughest days in 28 years as a Principal. The damage to our Trade Training Centre from last Monday's fire was extensive and we spent last week planning and working to get our alternative facilities ready for students. The fact that we achieved that in just 24 hours is a remarkable testament to our teachers and support staff. As I write a week on from the fire, I must say how very proud I am of our staff for all the work they have done and the spirit they have shown in the face of this adversity. I'm also very proud of our students who have recommenced their studies in those new facilities, supported each other and supported us as we all recover.

We have already commenced planning for our new facilities and shortly we will be sitting down with staff and students to discuss those plans. I have no firm timeline yet on when we can finish the rebuild but I can say we are moving ahead without delay. For now, we are concentrating on the full refurbishment of our alternative Automotive and Engineering facilities and we hope to complete those in the coming weeks. That work will not interrupt our programs.

As I said at the time and wish to say again, we are especially grateful to the men and women of Tasmania Fire Service for the professionalism, courage and skill they displayed in fighting the fire. They kept everyone safe, contained the damage to one building and prevented the fire's spread.

And as we begin a new week, we also forge ahead with our planning for the future and reflect on the fact that as difficult a challenge as this has been, the challenge of rising above adversity draws us closer together.

With Christ our Light, we will recover, we will rebuild, and we will endure.

Mr Craig Deayton

Principal

Student & Family

Dates to remember

APRIL

- 2 GYC Open Day
- 14 Final Day of Classes for Term 1
- 15 Term 1 Holidays Commence

MAY

- 2 Term 2 Commences

INFO FOR STUDENTS AND FAMILIES

CHESS AT GYC

Calling all chess players:

You are invited to join the Hobart Chess Club - free membership for GYC students.

Hobart Chess Club meet and play at the Hobart ARC on Monday afternoons. Beginners tutorials start at 4.30 pm with Jame Briant of Blacksquare Chess. Competition starts at 5.30pm. Students are welcome to wait in the ARC at Hobart on Monday's after school.

College Interschool Chess Competition: ONLINE Wednesday 6 April - 9.15am to 12.00pm

Please contact Mrs Martini: cmartini@gyc.tas.edu.au if you would like to represent GYC in the online tournament.

REFUGEE AND MIGRANT YOUTH MENTORING!

- Are you from a migrant or refugee background?
- Are you wondering what next steps to take after Year 12?
- Do you want one-to-one support with planning for Uni, TAFE or work?

Contact the Migrant Resource Centre (MRC) to be connected with an **Education Mentor**.

How? Drop in and ask about it at the MRC regular Wednesday drop-in sessions (3.00pm - 5:30pm), call the Youth Team on 6221 099 or email youth@mrc.tas.org.au.

REASONABLE ADJUSTMENTS - IMPORTANT INFORMATION FOR ALL STUDENTS

The Reasonable Adjustment Application Process has now opened.

TASC can provide students with reasonable adjustments to support equitable access and opportunities for success.

Reasonable Adjustments may be granted for physical, vision or hearing impairment, learning disorders, psychological disorders, medical reasons, personal circumstances (e.g. death of a family member), injuries and accidents.

Student & Family

Students who entered Australia on a Humanitarian visa within the last three years may also be able to apply for adjustments. A copy of your Immicard will need to be supplied with your application.

The adjustments provided vary according to each individual's need but could include the following: extra time in an exam, the use of a smaller / separate exam room, the use of a computer or scribe, and short breaks.

If you are eligible for reasonable adjustments, we encourage you to apply. If you have questions about whether you might be eligible, please discuss with your Tutor or make an appointment to see one of our Counsellors.

- Please collect an application package from the Campus Office
- Collect the supporting documentation outlined in the application package
- Return completed forms to the Campus Office by May 20.

STUDENT ACHIEVEMENTS

Congratulations to the following students who have achieved at an outstanding level:

DANCE

Vaughan Griffin was recently provided with the opportunity to dance in a music video with an international artist that is filmed this week. This was a unique opportunity for Vaughan and will compliment his Level 3 Dance studies being undertaken at Guilford Young College. Congratulations!

HOCKEY

Maddi Brooks recently attended the Hockey Australia Domestic Camp in Queensland. From the 63 players in the squad, Maddi was one of the 21 players who was selected in the U21 Australian Jillaroos squad.

Best of luck to Maddi Brooks, Taylor Brooks, Ansa Le Grange, Ellie McDonald, Felicity Wilson-Haffenden along with Josh Hine, Ruben Hoey, George Oliver, Jaxon Sproule, Matt Murphy, Jack Pritchard and Mac Winch who are representing the Tasmania Team in the Cairns in April.

TASMANIAN SURF LIFE SAVING CHAMPIONSHIPS

The following students achieved at a high level on the weekend of March 19 and 20 at Clifton Beach: Mary Clingeffer who was titled the Open Women's Iron Champion and Maya Chapman for finishing in third place. Maya also won the Open Swim.

Finally, to Ollie Pooley for coming 3rd in the U19 Men's Iron category.

Best of luck to Olivia Smith, Maya Chapman and Mary Clingeffer who will be competing in the Australian Surf Life Saving Championships Gold Coast this month.

CRICKET

Amy Smith for being a member of the recent Senior Tasmanian Tigers Premiership Team.

Sophia Di Venuto, Cassie McLoughlin and Amy Smith have been selected to represent the Tasmanian Tigers in the upcoming Under 19 National Cricket Championships to be held in Adelaide this month. Jesse Willmott is also representing the State in the Boys U19 Team competing in Brisbane.

ATHLETICS

Max Brideson is currently representing Tasmania in Melbourne at the National Athletics Championships.

BASKETBALL

Jordan Straatsma (U18), Noah Clarke (U18), Xavier Clarke (Reserve), Luke Brown (U20), Callum Boucher (U20), Ruby Erin (U20), Jasmine Ashlin (U20), Eliza Van de Kamp (U20) and Lewis Crennan (Reserve) will be representing Tasmania in the upcoming National Competitions in April.

Faith & Mission

CARITAS TALKS

Leanne Prichard from the TCEO has visited our RE classes to explain the work of Caritas and provide students with a greater understanding of the 2022 theme for Project Compassion, "For Future Generations" and the way Caritas assists on the ground to provide not just a hand out but a hand up.

FR KRISH MATHAVAN VISITS

Studies of Religion 3 classes have enjoyed the visits of Fr Krish Mathavan (MSC and Parish Priest of St Therese of Lisieux Catholic Parish Moonah-Lutana) who has been able to discuss his own multi-faith upbringing with a Buddhist father and Catholic Christian mother and provide students with an insight into growing up in a very culturally and religiously diverse country as Singapore.

MEALS ON WHEELS – EASTER EGGS

For the third year in a row our students are parcelling up a few small eggs to go out to clients of Meals on Wheels. More significant than the chocolate Easter Egg is the students writing an Easter message and considering the isolation of many of our elderly in Hobart. We would welcome any donations of Easter Eggs to include in our Meals on Wheels party bags. All donations can be left at each Campus Office.

HOLY WEEK PREPARATIONS – APRIL 13 LITURGY

Due to Covid restrictions our Holy Week Liturgy during extended tutor on Wednesday 13 April will be for Year 11 students of Hobart Campus only. There will however be a live stream of the event to all other students. Feel free to join us online for the event. The link is below.

<https://www.youtube.com/watch?v=9ZVQ5OKbtcl>

FAITH IN ACTION 2 CLASSES

In preparation for volunteering projects in Term 2, Faith in Action classes have been becoming familiar with the location of non for profits and important service agencies in both the Glenorchy and Hobart business districts. Some of our classes have visited St Vincent de Paul and learnt about the Loui's Van and toured the Argyle Street warehouse and store to see how the site functions and how important donations are to the day to day functioning of Vinnies.

Faith & Mission

WALK AGAINST THE WAR FOR CARITAS UKRAINE

Hobart Student Leaders supported by Hobart Heads of House ran a very successful 'Walk Against the War' event on the Hobart Oval recently. Each lap was counted for House points and a BBQ was held too. Students donated in excess of \$200 for Caritas Ukraine and there was a great sense of solidarity and good will in the students want to advocate for peace and peaceful negotiations. College Chaplain, Fr Fidelis made a guest appearance in support of the fund-raising focus of the event.

AGENCY WALK FOR FAITH IN ACTION CLASSES

Our Faith in Action classes look at real issues in the community and how we can help. One of our activities is to walk around our area seeing the agencies where people in need can get extra help. It is amazing how many agencies there are in Glenorchy. We have been walking around familiarising ourselves with the work of some of them.

Faith & Mission

HARMONY WEEK

There were some wonderful Harmony Week events that took place on both Campuses including: posters, wall banners, chalk art, morning teas, photography competition and in class activities. Promoting the message - **Everyone Belongs** is very much in keeping with our messages of welcome and inclusion at the College.

FAITH IN ACTION

Some of our Faith in Action students recently volunteered at the Glenorchy Job Fair while 6 students volunteered at the Relay for Life on Saturday.

'Please pass along to the students and their parents how much we appreciated their help on Saturday afternoon. They were not only punctual, but early. They performed a range of tasks efficiently and collaboratively.'

Their friendly faces are exactly what we need to welcome Relay For Life participants'

CHRISTIAN BROTHER MILESTONES

Br Sean McManus and Br Terry Burke were both staff members of the College in its early formative years.

This weekend gone Br Sean celebrated 50 years in the Christian Brothers

largely working with migrants and refugees and Br Terry celebrating 70 years with the Christian Brothers largely in social work and pastoral care. We honour their selfless contribution to service.

Mrs Simone McManus and Ms Kylie Sullivan
Directors of Faith and Mission

VET OUTDOOR RECREATION CAMP

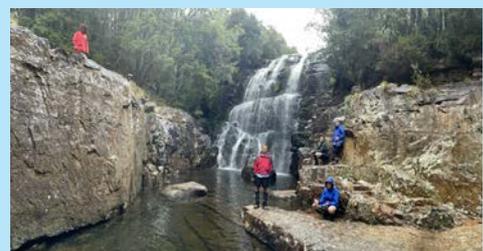

The VET Outdoor Recreation class recently got back from a six-day hike on the Overland Track, and what a stunning hike it was! We had (almost) blisteringly hot weather and crystal-clear blue skies the first two days which made the views from iconic Cradle Mountain and Barnes Bluff a sight to behold. Students also summited Mount Ossa, the tallest mountain in Tasmania, on Day 4. Overall, the students walked between 85-90km in 5 days!

Starting on the second day at Lake Windermere, we were able to have a freshwater swim every afternoon at camp to wash away the days sweat. Each water hole got colder than the one before it making our swims very brief but VERY refreshing. We saw wombats, echidnas, wallabies, and one student even caught a rare freshwater crayfish below Ferguson Falls!

Highlights of the trip included bagging some Abel peaks, challenging other hikers on the trail to a VET Outdoor Rec class special game called a Moo-Off, playing games of Uno on helipads and jetties, and walking through some of Tasmania's most beautiful Myrtle forests.

Mr Brodie Jeavons

Outdoor Education Department

LEGAL STUDIES FOUNDATION EXCURSION

Science and Maths teacher, Mr Jeff Briscoe, donned another hat when he hosted a group of legal studies students on a tour of the Town Hall. Jeff has been a Hobart City Alderman for 28 years, only beaten by Marti Zucco at 30 years.

Students tried out the Reading Room, wondered at the Stately Ballroom, checked out the Committee Room and sat in the seats of power in the Council Chambers.

Alderman Briscoe treated the students to refreshments in the Aldermen's chambers at the conclusion of the visit. We are learning about local government and this gave us a fascinating insight.

Mrs Mary-Anne Johnson

Teacher

ANTIGONE

On Wednesday and Thursday last week, the Theatre Performance class presented their first production for the year, Antigone, the Ancient Greek play by Sophocles, in the Hobart Amphitheatre. Audiences were great and the performances were excellent. Well done to all students involved.

Mr Matthew Stolp

Head of Faculty - Arts

VIRTUAL CARE IN A TIME OF NEED

How our students came up with the idea to send a 'Virtual Care Package' to those struggling with COVID ...

The idea was that some members of our community can and will struggle under the burden of having COVID or having to isolate at home, away from friends, family, school and work, is the reason we made these Care Packages.

The Just Act Group came up with the idea after coming back to school and seeing numbers of students having to isolate due to COVID, wondering how we could act with compassion and offer assistance where it is needed.

The notion of being in isolation and having time to yourself can actually be a burden to some, as mental health, communication and general wellbeing can lessen in strength with limited in-person interactions. The Care Package contains what we believe are some of the key things to keep in the back of your mind when isolating to maintain your self-care and happiness. Along with support-resources for mindfulness, reminders for self-care, links to music playlists, some film recommendations, and some online games we used to love. As Tasmanians, we have been very lucky to have limited exposure to COVID until now, but we now want to make sure the people of the community feel seen and supported, now that COVID is much more prevalent in our own lives. Some people adapt quickly, and won't need those reminders to get enough sleep, drink enough water, get enough sunlight, eat their lunch, but some do. And we hope that those people see this Care Package as a way to care for themselves in a time of need.

Charoltte Turton

Year 12 Student

Abbie and Charlotte from the Just Act Committee

Virtual Care Package for COVID@home

Spending a lot of time by yourself, isolated from your family, friends, school, work and social life can be a super isolating feeling. This is why the Just Act Group have created a virtual care package for any members of the greater GYC community - a way for you to practice self-care and keep yourself occupied!

Listen to some music

Whether you're after something more upbeat or chill - we have you covered! Just search 'GYCjustact' on Spotify and pick your playlist.

Reach out if you need it

Utilise some of these mental health resources below if you need some online support or just want some advice. Remember that our school counsellors are always available.

- <https://aur.reachout.com/tools-and-apps/reachout-worrytime>
- Kids Helpline 1800 551 800
- <https://www.calm.com/>
- Headspace e-help 9am - 1am www.headspace.org.au

Play some online games from your childhood

There's nothing like the nostalgia you get from playing games from the past. Some of our favourites are Impossible Quiz, Run, Bloons TD and Moshi Monsters!

Stream your favourite movies and TV shows

Using platforms like Netflix, Stan, Disney+, Bing and Clickview, you can watch something that brings you comfort - for us, that's The Office, Euphoria, the Marvel Cinematic Universe, How's Moving Castle, and High School Musical.

Make sure you take care of yourself

Have you eaten lunch? Have you had some time in the sun? Have you washed your face? Have you had some water? Have you taken a minute to breathe?

It's okay to be lazy sometimes - just remember to take care of yourself and practice self care

Practice meditation and mindfulness

Whether it be writing in a journal about your days, or meditating, a little bit of mindfulness is a calming exercise amid the stress of isolating.
Try this 10 minute meditation - <https://www.youtube.com/watch?v=O-6f5wQXSu8>

Keep in touch with friends and family

Isolating at home can be lonely, so make sure you talk to your friends and family, whether it be over social media, a facetime call or even email. Sometimes, you can find the support you need through the people closest to you.

Courtesy of the GYC Just Act Group, Glenorchy.

ARC NEWS

Welcome to the ARC news page! My name is Dr Demelza Hall and I am the new ARC Leader here at GYC.

We are often asked **what does "ARC" mean?**

What does it stand for?

Is ARC an acronym?

Does it mean Academic Research Centre?

Or Adult Resource Centre?

While ARC was, initially, an acronym it has evolved to become the general name for a collection of spaces and services that are available to all students and staff at GYC. Students and staff come to the ARC for a number of practical reasons, such as to access books and print resources, to seek targeted research and assessment help, to obtain assistance from ICT staff, or to study. But the ARC also functions, on both Campuses, as an important meeting place – it is a site where people come together to collaborate, to talk, to read, to play games, or just hang out. The ARC is, therefore, also a term which we believe encapsulates wellbeing and characterises the sense of support and inclusivity GYC prides itself on.

There are always interesting things happening at the ARC. As part of Harmony Week, for example, we have been celebrating diversity with interactive maps set up for people to mark where they and their family come from. As the theme for this year's Harmony Week is "Everyone Belongs," we are also showcasing some of the ARC's wonderful print collection, particularly the first-person stories that speak of different experiences of belonging and being-in-the-world.

We have many new projects and initiatives in the pipeline for 2022, so please watch this space for future news items!

Dr Demelza Hall

ARC Leader

Sports News

SPORT REPORT

GYC students continued to perform well across our Term 1 sports. During the past week, highlights have included the Division 2 Boys Red Basketball Team being awarded Premiers and the T20 2nd XI Cricket Team played a magnificent tri-series against The Friends' School. See below for the report on what was an amazing final game with the series levelled at 1 win each. The Swimming Carnivals and Rowing Regattas finished with some great achievements in their respective State-wide events.

IMPORTANT DATES

- Term 2 Sports Registrations Close Friday April 1
- Summer State Finals: Wednesday April 13

TERM 1 SUMMER SPORT CAPTAINS

Congratulations and thank you to the following GYC students who have demonstrated their leadership in the following Term 1 Sports:

SPORT	CAPTAIN
Swimming - Girls	Sam Rickwood
Swimming - Boys	Oliver Pooley (C) and Corin Arkell (VC)
Tennis - Boys 2nd Blue	Bayley Aziz
- Boys 2nd Red	Lachlan McCarthy
- Boys 3rd Gold	Gashu Denekeew
Tennis - Girls 2nd	Garielle Foale
Rowing - Girls	Chloe Mead
Rowing - Boys	Joseph Triffett
Cricket 1st XI	Jesse Willmott and Joshua Brazendale
Cricket T20	Patrick Kenna
Volleyball Blue	Gabriele Edgar

Volleyball Navy	Team
Volleyball Gold	Hannah Maw
Volleyball Red	Hayley Gill (C) and Layla Ali (VC)
Basketball - Boys 1st Gold	Luke Brown (C) and Lewis Crennan (VC)
Basketball - Boys 2nd Blue	Alex O'Brien
Basketball - Boys 3rd Red	Team
Basketball - Girls 1st	Eliza Van de Kamp

RESULTS FROM GIRLS VOLLEYBALL

What a fantastic season for all four teams playing the girls SSATIS Roster. Every week the girls have shown enjoyment and continued improvement. The Blue Team remain undefeated while the Gold Team had their first loss against MacKillop College.

RESULTS

March 21: GYC Blue defeated SMC Blue 2/61 to 1/58, GYC Navy defeated Dominic Maroon 2/50 to 0/38, GYC Red defeated Dominic Blue 2/50 to 0/22 and GYC Gold lost to MacKillop 0/48 to 2/52.

March 28: GYC Navy lost to SMC Green 0/28 to 2/50, GYC Gold defeated SMC Red 2/50 to 0/32 while GYC Blue and GYC Red had wins due to the oppositions forfeiting.

Sports News

SWIMMING

The State SATIS Swimming Carnival was held at the Hobart Aquatic Centre on Tuesday 22 March. The GYC Swimming Team performed extremely well against the nine SATIS schools in the girl's races and seven schools in the boys. The College came forth in all three shields, Boys Senior, Girls Senior and Co-Educational Senior. The two Captains, Ollie and Sam led the team extremely well with their leadership and representation in and out of the pool, swimming four races each. It was great to see the improvements during the two carnivals and people swimming races to replace others.

Congratulations to the following students for their outstanding achievements:

OPEN BOYS

Medley Relay: 4th (Oliver Pooley, Myles Hall, Riley Ferguson and Archie Butler)

50m Breaststroke: Myles Hall 3rd

50m Backstroke: Oliver Pooley 4th

4x50m Freestyle Relay: 4th (Oliver Pooley, Myles Hall, Riley Ferguson and Archie Butler)

OPEN GIRLS

Medley Relay: 3rd (Olivia Nichols, Olivia Smith, Sam Rickwood, Makayla Atherton)

50m Breaststroke: Olivia Smith 2nd

Mrs Mel Brown

Sport Coordinator

TENNIS

Tennis has been popular this year which has seen an increase in the number of teams playing. The Girls Team have continued to dominate while the two Seconds Boys Teams have now both finished after playing some competitive enjoyable matches. The Gold Team continue to enjoy their involvement in the Thirds Roster playing their last round this week.

RESULTS (GIRLS TENNIS)

March 17: GYC defeated SMC 6/33 - 0/1

March 24: GYC defeated Friends' 5/34 - 1/12

RESULTS (BOYS TENNIS)

March 16: GYC Red defeated GYC Blue, GYC Gold lost to Friends' Red 2/17 - 4/28.

March 23: GYC Red lost to Friends' 4/30 - 2/17, GYC Blue defeated Hutchins Black 4/37- 2/20 and GYC Gold lost to SVC Blue 2/18 - 3/22.

Sports News

BASKETBALL

The Red Team dominated in 3rds Basketball, winning every rostered game, though to be fair we only played one side - Hutchins - although they seemed to have many line-up changes during the three matches that we played against them. We had a strong Glenorchy Campus presence with Liam Marshall dominating the rebounds and teaming well with Rainer Pabon for many points under the basket. Aidriel Enriquez was busy as a point guard and we enjoyed the silky skills of Bary Karia and Farhan Hussein with Axel Allanby chipping in as a determined defender as well as three point specialist. Max Ashley also a solid player and good team member.

In Division 1 the Gold Team have continued to dominate in the Division 1 Roster while the Blue Team have shown excellent commitment and teamwork with their games against Hutchins and Friends. The Girls Team after having their first loss to SHC and look forward to playing them again this week.

RESULTS (BOYS BASKETBALL)

March 17: GYC Gold defeated Hutchins 85 - 54, GYC Blue lost to Friends 53 - 31, GYC Red defeated Hutchins 68 - 53.

March 24: GYC Gold defeated Friends 80 - 51 and GYC Blue lost to Hutchins 40 - 68.

RESULTS (GIRLS BASKETBALL)

March 16: GYC defeated Collegiate due to forfeit

March 23: GYC defeated Calvin 69-24

Mr Jeremy Dooley

Teacher

ROWING

Guilford Young College had a small but enthusiastic team of rowers this season. Both boys and girls managed to field crews in the quad, double, pair and single scull categories. Crews displayed discipline and focus as they navigated the 2000-meter course at Lake Barrington International over the March Regattas. The performance highlights included Cassie Wright and Joseph Triffett, both of whom were competitive in the higher divisions of the pair and single scull respectively. The spirit that is necessary to succeed was exemplified by Lucy Balfour, who despite not feeling the best and with an opportunity to scratch, still went out and competed in her single scull.

Sports News

That resilience and grit to keep going when the going gets tough is important in life.

All rowers are current Year 11 students and with an intake of new rowers from association colleges, Guilford hopes to add to its rower numbers in the 2022/23 season.

A special thanks to coaches Kelly Graham from New Norfolk and Lindsay Ims from Sandy Bay and to the parents who supported these young athletes. Also thank you to Oliver Wilson-Haffenden and the St Virgil's Boat Club for their willingness to support the GYC rowers with equipment where necessary.

Mr Gavin Wakefield

Teacher

T20 CRICKET

The final game of the SSATIS cricket series was played on Monday night against The Friends' School at the Bell Street Oval. With Caleb Devine as Captain, GYC won the toss and elected to bowl. Fletcher Salter and Blake Silifant opened the bowling with tight figures leaving friends with only 30 runs off the first 5 overs. However, the Friends openers batted well with the first wicket falling in the 10th over with a stumping by Caleb Devine off the bowling of Conner Blanton. The second wicket was taken by Blake Sillifant and was the prized wicket of Friends' opening batsman Harry who was bowled for a total of 94. No more wickets fell as Friends' finished up with a total of 2-161.

Fletcher Salter opened up the batting with Connor Blanton for GYC and it did not take long for the first wicket to fall with Blanton being dismissed in the first over. Wickets kept coming for The Friends' School whilst Fletcher Salter was solid in his form and contributing to the run chase with Caleb Devine who came in for a 'quick fire' 29 runs off 15 balls. GYC were looking poised to claim victory at 6-146 but some great bowling by Friends' saw three quick wickets fall including the wicket of the in-form Fletcher Salter, dismissed LBW for a total of 73. At 9-155 it was now up to Mike Wild and Taylor Brown to gain the 7 runs to win from the last 6 balls. They did well, however the match finished on a draw with both sides finishing on 161 so the game went into a 'super over' to decide the victor.

Sports News

The super over involved each team getting 3 batsman and one bowler to face/deliver 6 balls with the highest score being the winner. GYC lost two wickets in 4 deliveries in their super over with The Friends' School hitting a 4 to secure the win in the final over.

Well done to all the boys who turned up and played all games of cricket this year and also a great effort by The Friends' School students who showed some great talent and provided such good competition.

Mr Jordy Rieniets

Teacher

TERM 2 SPORT REGISTRATIONS – DUE FRIDAY APRIL 1

The following sports are available during Term 2:

- Cross Country
- Canoe Polo
- Australian Rules Football
- Hockey
- Water Polo
- Mountain Bike Riding
- Squash
- Surfing
- Equestrian

For more information please click on the link which is also available on SIMON under Student Links: [Term 2 Winter Sports Sign-ups \(sharepoint.com\)](#)

OLD SCHOLAR ACHIEVEMENT

One of Australia's best men's style TikTok accounts is posted from Hobart! One of One Archive is the brainchild of Noah Johnson (Class of 2018) who creates hand-crafted fashion labels from 100% upcycled, second-hand and reclaimed fabrics. Through TikTok he documents the design and process of each garment in a mesmerising fashion. Great work Noah!

ADF EXCURSION - 25 MARCH

CLOTHING DRIVE - TIME TO CLEAR OUT THAT WARDROBE!

Starting Monday, 28 March, we are asking our GYC students to give generously.

The request is that they do a bit of a wardrobe clear out, looking for items that are still good quality but which they no longer wear. Items that they would consider lending to a friend. We would like to pass these clothes on to young people (age 14-18) in Hobart who may not have quite the selection to choose from for parties, dinners, special occasions, or even just every day that many of our students have.

If you could support your son or daughter to part with one, or many, items we would be grateful. These items can be dropped at College Offices on both Campuses or left with Tutors. Final collection day will be Thursday, 7 April.
