INFO FOR STUDENTS AND FAMILIES

DEAKIN UNIVERSITY- LUNCHTIME SESSION

Thinking about studying at Deakin University?

Sam Johnstone from **Deakin University** will be visiting the Hobart Campus on **Thursday 16 June at Lunchtime**.

Join Sam a for a presentation from Deakin, including info about studying in Geelong, Melbourne or Warrnambool. You'll hear from a current student leader who grew up in Tasmania, you can pick up a course guide and on-campus accommodation brochure, and there's even some fun Deakin Residences merch up for grabs. Bring your lunch and any questions along to this session. See you there!

This session will be streamed to the ARC at our Glenorchy Campus.

For further information please see Deb Winton Pathways and Careers Officer.

WILLIAM ADAMS CAREERS APPRENTICESHIPS

William Adams are offering the following apprenticeships to commence in 2023:

- Diesel Technician: Certificate III in Mobile Plant Technology
- Auto Electrician: Cert III in Automotive Electrical Technology
- Boilermaker/Fabricator: Certificate III in Engineering - Fabrication Trade
- Machinists/Fitter: Certificate III in Engineering -- Mechanical Trade

If you are keen... you can register your interest via this link : <https://bit.ly/3vOFIQd> or call 9566 0700.

Official Applications will open in June 2022

For more information please contact Deb Winton Pathways and Careers Counsellor.

2022 TASMANIAN ALL SCHOOLS WALKS CHAMPIONSHIPS & STATE SENIOR SHORT TITLE JUNE 25

Any interested students should contact the Sport Department. Entries Close Thursday 23 June. For further information please email mbrown@gyc.tas.edu.au

TERM 3 AND 4 SPORT REGISTRATION

For security reasons, you need to ensure you are signed in through your school email account. Referring to the email will make this easier.

Sign ups for Term 3 and 4 Sports are now open and are due by Friday 17 June.

Use the link on Simon under Student Links to sign up.

YOUNG TASMANIAN WRITER'S PRIZE 2022

A prestigious short fiction competition open to all Tasmanian students.

Seniors (Years 10 - 12): 800-1500 words

Requirement: The first sentence and paragraph of a story should hook the reader and present an impressive image. Using your own words, choose ONE of the following ideas with which to begin your story.

1. The sight of a mountain
2. The sound of running water
3. The smell of mud
4. The feel of feathers
5. The taste of salt.

See Mrs Manners (Glenorchy) or Ms Miller (Hobart) for more information and help with the submission process.

Faith & Mission

WORLD'S GREATEST SHAVE EVENTS

A highlight of the last fortnight has been the incredible spirit of fun, energy and hair loss that has taken place on each campus in a good cause. We thank our teachers especially; Mr Deayton, Ms Young, Ms Farid and Mr Beck for taking the shave for the cure. There were many students who generously lost their locks, there were some great colours and a terrific sense of goodwill to brighten up the cold days. We send our sincere thanks again to TAS Tafe whose Hair and Beauty class run the event so efficiently and well and our fundraising efforts have been amazing. It is not too late to jump on board and donate to this worthy fundraiser for the Leukaemia Foundation.

Faith & Mission

ST VINCENT DE PAUL - YOUTH INDUCTION MASS

GYC was well represented at the Youth Induction Mass held at St Therese's Parish at Moonah in a Mass concelebrated by Fr Richard Ross.

In the Mass, students joined across all Vinnies groups in the south to commit themselves to service of the poor and marginalized in our Hobart Community. Those who become involved in Vinnies in Youth do so generously and go on to support the work of St Vincent de Paul all their lives. Each campus group received their blessed badges and candles and will continue to progress the Buddy Days and Winter drives and initiatives of Vinnies in their hard working Justice Action Committees on each campus. It is never too late to join a Vinnies committee.

CARITAS QUIZ NIGHT

On Friday 27 May, the Student Leaders, with the support of staff and sponsors, led a Quiz Night in support of Caritas and their efforts in Ukraine. Caritas has worked closely with those effected in Ukraine by supplying them with vital shelter, food, clean water and protection for vulnerable people and families. A large amount of preparation went into the organising of the quiz night, with many leaders and staff giving up their Friday night to come run the night.

The night was a huge success, raising a total of \$1,025 for Caritas. We are extremely lucky to be able to help those in a time that is needed. It was an exciting and fun event that allowed us to gather as a community and support a great cause. We were supported by donations from many different sponsors and we would like to extend our gratitude and thanks to those supporters of Caritas and Guilford Young College. A big thank you to all the staff and students involved in the catering and food prep boxes which were a big hit and to all the staff and students who helped and supported throughout the night.

Faith & Mission

FOCUS DAYS WITH MIKE FITZPATRICK

For the last 24 years we have been the only College in Tasmania that Mike Fitzpatrick has travelled to Tasmania to work with on carefully planned Year 11 and 12 Focus Days.

We feel very fortunate to have his skilled presence, his wide experience working with young adults in Catholic Schools over 30 years and across the country. As well as being a skilled presenter, facilitator and person of faith, Mike is a gifted musician.

These days are compulsory and along side our expectation of studying a Religious Education subject are our compulsory requirement of each student graduating the College at the end of Year 12.

For years I have been reminded that it was one day that students rated as a high point of their College life. Why? Because they are with their peers, in warm comfortable clothing, away from their phones and books and able to express their hopes, aspirations, fears and concerns as a year group and as a mechanism for moving forward with hope in their lives. Mike uses music, group activities, sharing (by invitation) and many strategies to build trust and growth during the day.

This is NOT a day for students to book appointments, it really detracts from the flow of the day for others if students come and go and do not commit to be present to one another. We seek parental support in this as our College gives aside time after the mid year exams for an important re focus and engagement in mental, social and spiritual wellbeing of each of our students. When you reflect on your own busy adult lives I am sure you would cherish time out to “reflect” and refocus, please support your young adult to do the same.

Hobart students will be bussed to the Bosco Theatre for their days due to the College renovations.

Hobart Year 11s - Tuesday 5 July -

Departure from Barrack Street at 9.00am

Departure from Glenorchy Bosco Theatre 2.50pm

(Please note the time change - wear warm comfortable clothing and bring lunch or money for the canteen)

Hobart and Glenorchy 12s - Wednesday 6 July -

Departure from Barrack Street at 9.00am

Departure from the Glenorchy Bosco Theatre 2.50pm

(Warm, comfortable clothing for movement, bring lunch or money for the canteen)

Glenorchy Year 11s - Thursday 7 July -

Glenorchy students in the Bosco Theatre at 9.00am - 2.50 pm.

Break times as usual

Classes as usual for Year 12s on Year 11 days and Year 11s on Year 12 days

Faith & Mission

FLINDERS ISLAND TRIP

Recently, eleven First Nations students and two community members, Carleeta Thomas and Jamie Graham-Blair travelled to Flinders Island for a four-day cultural heritage expedition. Students took the 8.00am flight from Launceston to Whitemark Airport and spent a full day exploring the Furneaux Museum, the township of Whitemark and taking some small coastal walks in the south and east of the Island. Carleeta and Jamie shared their extensive knowledge of the Island's food resources and history, and encouraged students to draw on past knowledge in identifying bush foods. The following day, the group travelled to Castle Rock and then to Killiekrankie in the north of the Island where Margaret Wheatley explained the process of fossicking for the eponymous diamonds. In the afternoon, students spent time at Wyballena, a site of exile for the remaining Tasmanian Aboriginal People on the Tasmanian mainland administered by George Augustus Robinson from 1833-1847. On Thursday, half the group climbed Mount Strzelecki, a considerable climb, while others made their way to Trousers Point, walking along the beautiful coastline and learning about Chappell Island's enormous snakes. On the final day, students visited the Wombat Rescue at The Purple Swamphen. The rich cultural landscape, windswept beautiful environment was an unforgettable experience for students and we are extremely grateful to Jamie and Carleeta for sharing their knowledge so generously with us.

Ms Kristin Leeds

Aboriginal Student Success Teacher

STUDENT ACHIEVEMENTS

ROWING

A huge congratulations to **Joseph Triffett** (C4) who was in a team of 38 male and female athletes and 6 support personnel who travelled to the ACT to race on Lake Burley Griffin in the 2022 Schools Pathway 8's which is a part of the Rowing Australia U19, U21 & U23 Selection Trials.

A total of 21 Eights were entered with four Eights coming from Tasmania and it was a great experience for all involved with a high standard of crews racing against interstate athletes.

Joseph's crew finished 4th in the B final.

This finished off a great rowing season which also saw him as part of the New Norfolk Rowing Club crew that won the State Under 19 Men's Coxless Quad Scull and the 2021 Kirby Cup.

VOLUNTEERING

This week we also acknowledge **Ahmed Omer** (R2) who recently received a Youth Volunteering Award from Volunteering Tasmania for his work with JCP Youth. Well done Ahmed!

HOCKEY:

Rueben Hoey (B8) has continued to excel in hockey with his selection in the U21 State Hockey Team and the Tasmanian Institute of Sport.

ORIENTEERING:

Congratulations to past student Mikayla Cooper (Leaver 2020) who has been selected to represent Australia at the upcoming World Uni Games in Switzerland and World Cup in Estonia.

Please see the Sport Facebook page to support Mikayla: [https://www.facebook.com/GYC-Sport-104209168975287/?_cft__\[0\]=AZWnbnA3GXrg53GKqqiHM7LLJchAELN_uWzzsq9ltDhHnchHQXU_pZ22novSrCF2DDGrUiVvH_kALWJbX2wNFLJpQJoMM37qTmbfdENv62i52s6W_u_q_4qWZu5kYtc1niUqlG2QwklAaRtS4-j29tUz1-&_tn_=-UC%2CP-R](https://www.facebook.com/GYC-Sport-104209168975287/?_cft__[0]=AZWnbnA3GXrg53GKqqiHM7LLJchAELN_uWzzsq9ltDhHnchHQXU_pZ22novSrCF2DDGrUiVvH_kALWJbX2wNFLJpQJoMM37qTmbfdENv62i52s6W_u_q_4qWZu5kYtc1niUqlG2QwklAaRtS4-j29tUz1-&_tn_=-UC%2CP-R)

EARTHCARE GROUP:

The online Catholic EarthCare Summit 2022 was hosted from New South Wales. Living in Tasmania surrounded with biodiversity, it was interesting to hear how schools in the City of Sydney were increasing biodiversity. Leading the conference was Nicole Lewis, one of the founders of the B&B Highway Project. She talked about biodiversity and especially bees and natural pollinators. I also had the opportunity to talk to other schools from New South Wales and hear what they are doing as part of their EarthCare groups. Many concerned with recycling had set up systems for clothes recycling and also donating money to Vinnies. Other schools who didn't have much room to work with were installing roof top and hanging gardens. It was interesting to hear how schools were tackling the issue of the environment within their own EarthCare groups.

Isabelle Selby

World Environment Day was marked at the Glenorchy Campus with planting native grasses as part of our habitat restoration project.

Pictured: Beautiful blooms on Correa planted as part of this project in 2021 and Emily Gamez planting for World Environment Day.

ENGLISH APPLIED

The English Applied students are currently undertaking studies relating to work.

Deb Winton has visited the Line 5 Glenorchy class to run a session about resume creation and cover letters. Deb spoke to the class about skills and attributes. Students were asked to identify their attributes, such as being honest, hard-working, and responsible. The class then considered what skills they possess such as cooking, sport, RSA and many more. Deb then explained how these skills and attributes can be woven into a resume to demonstrate to the employer your suitability for work.

Alongside these visits, students are exploring possible career paths and learning about the interview process. This unit of work provides students with everyday literacy skills for the workplace and employment opportunities.

JUSTICE ACTION GROUP

Do you have a strong sense of justice?

Do you want to help people in your community but you're not sure where to start?

Students are invited to come along to the Justice Action Committee in the ARC Hub at Wednesday lunch every fortnight to discuss the Vinnies Winter Appeal and get involved! We have Elle Bate from Vinnies Youth joining us to brainstorm ideas. All are welcome! Turn your words into action!

"By Deeds, Not Words Alone"

**JUSTICE ACTION
COMMITTEE**

Give it Back...Pay it Forward.

ARC NEWS

ANTI-RACISM AND ALLYSHIP CONFERENCE 2022

ARC Leader, Dr Demelza Hall, attended the annual Australian Library and Information Association (ALIA) conference in Canberra (Ngunnawal Country) last week to explore how the ARC can continue to support the diverse needs of our students, staff, and the broader GYC community.

With a focus on diversity, inclusion, and allyship, the conference emphasised the benefits of working closely with community stakeholders, particularly First Nations peoples, to ensure that all learning spaces are grounded upon the needs and values of the communities that they serve. Dr Hall hopes to implement several strategic changes to the ARC as a result of this conference, starting with the development of a dedicated First Nations space – where GYC's collection of texts by, and about, First Nations peoples are not only displayed more prominently but are also re-catalogued so that appropriate cultural warnings are highlighted.

ARC

We are pleased to present some renders of the new Academic Research Centre (ARC) that will shortly begin construction at our Hobart Campus.

The ARC recognises that learning happens best in high quality, safe environments. Environments with well-considered indoor air quality, comfort conditions (thermal, visual, tactile and acoustic), access to daylight, view and aesthetics. And, learning occurs differently for different people, and as such a range of spaces should be provided to accommodate these differences.

Over the last 18 months we have been designing our new ARC. The ARC is split into 3 zones.

Collaborative/Social – A place for group work, conversations, and connections.

@colourtheconversation

www.hue.org.au

I'm committing to
unpacking my
whiteness.

HUE.

COLOUR THE CONVERSATION

ARC NEWS

Reference/Research/Services - A space that will house a print collection, research tools, ARC assistants, ICT, Counselling services, Offices, meeting booths, Careers, etc.

Quiet Study - A peaceful, ambient, and quiet area for study, reflection and research.

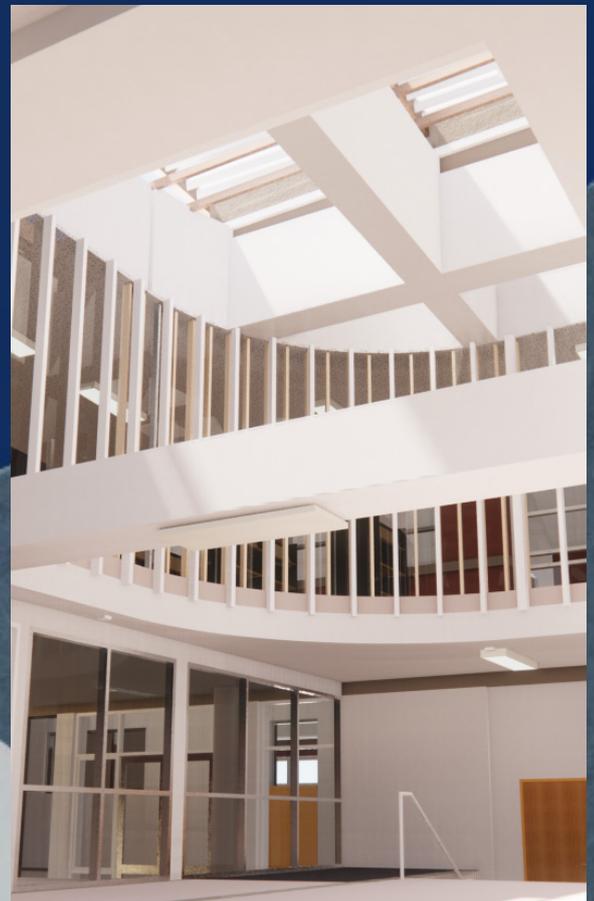

Our ARC is available to both campuses and will enrich the lives of all members of the GYC community. Students, teachers, staff, parents and carers will all benefit from our new facility.

The ARC is designed to work independently from the other buildings and spaces. This means the facility can operate securely after hours, and during school holidays. We hope to bring not only our GYC community into the ARC, but other groups as well such as artists, authors, universities, and community groups.

We will provide more information and images of our new ARC over the coming months.

Mr Stuart Brinsmead

Director of e-Learning & Information Systems

Sports News

IMPORTANT DATES

2022 All Schools Secondary Cross Country: Tuesday June 28

State SATIS Football Grand Finals: Saturday July 2

Hockey - Girls 2nd XI	Zoe Brown (C) & Gabs Foale (VC)
Water Polo - Boys	Corin Arkell (C) & Jack Cassidy (VC)
Water Polo - Girls	Mary Clingeffer & Samantha Rickwood (Co-Captains)

CROSS COUNTRY

Southern SATIS Cross Country

The Southern SATIS Cross Country was held at the Soldiers Memorial Oval, Queens Domain on Thursday 26 May. It was unfortunate that due to illness and injury, a few GYC students were unable to participate in this event. The College still had sixteen students participating. It was a cold day with the Open Girls completing the 4km track and the Open Boys running 6km. Lottie Horton and Metasebia Duggan both ran extremely well to finish 5th and 6th respectively. In the Open Boys race, Haney Mokonen replicated his fine performance from 2021 and established a clear lead from the start completing the 6km in an impressive time of 19 minutes, 35 secs which was a full minute before the next contender. Bertie Tucceri also had an impressive run finishing 4th place and not far behind him was Callum Banasik in 13th and Liam Banasik in 17th.

In the Teams event, GYC came 3rd in both the Girls and Boys Senior Shields and 2nd in the Co-Educational Senior Shield.

2022 All Schools Cross Country June 28

Any interested students who would like to compete in the Tasmanian All School Cross Country event should contact the Sport Department for further information and register their name by Tuesday 21 June.

2022 Tasmanian All Schools Walks Championships & State Senior Short Title 25 June.

Any interested students should contact the Sport Department. Entries Close Thursday 23 June.

GYC 2nd XVIII Football

In only 7 days, the GYC boys evolved into major contenders. Re-gaining a number of key players from illness, and securing the playing services of a few more, the numbers were overflowing on the sidelines as they took to the field at the Friendly Fortress in New Town for the second week running. A slow start had the newly formed team on the back foot early, but a couple of key players took the game by the scruff of the neck as the members from both campuses began to really gel together in the second term to take a 1 point lead into half time.

Inspirational speeches of an elite level were given by the captain and co-captain respectively and the team hit the turf fired up for the second half. A barrage of goals was to follow, as GYC gained control under the eye of the Glenorchy Football Club President on scouting duties. Friends were able to call on some experienced hands and years of cohesion, to wrangle back the momentum and begin to claw back the lead.

Coach Artis pleaded with his team to utilise the fresh legs and pressure to grind the Friends' team out of the game. To which the team responded and gave it their all. As the sun set, the smiles and laughter around the ground tuned into the fantastic display of contested football that was going on. Great support and great team efforts resulted in a fantastic experience for all those involved.

With the two warm up games now out of the way, the GYC 2nd XVIII are looking forward to playing Friends' in their third game.

Best Players: Riley, Callen, Henry, Harry, Chris, Barry, Liam

Mr Chris Elwell

BOYS 1ST XVIII FOOTBALL

The GYC Boys Football had a convincing win against Launceston Church Grammar School with many scoring opportunities, 9.26.80 - 3.0.18.

Best GYC: Fletcher Hooker, Caleb Devine, Xavier Connor, Oliver Kelly, Connor Downham, Charlie Moore, Hamish Ayliffe, Will Busch

Goals GYC: Fletcher Hooker 3, Will Sartori 2, Jack Males, Jesse Willmott, Xavier Connor

GIRLS 1ST FOOTBALL

The GYC Girls Football team defeated Friends' due to a forfeit and look forward to playing Fahan this week.

BOYS AND GIRLS HOCKEY

The three hockey teams have been performing very well with the boys dominating the roster currently placed on top of the College Boys ladder, the Girls 1st Team sitting second in the College Girls and the Girls 2nd sitting third in their competition. The boys team are a joy to watch with a mixture of outstanding talent and some new players to hockey. They have all embraced one another's ability and are playing well while having a lot of fun. The Girls 2nd have continued to improve with a draw to Fahan this week. Gabs Foale, Emma Ayebare and Sam Tomes-Park all played extremely well. The play of the day however, involved Abbie Corrigan chasing down a ball on the backline to pass it to her fellow forwards with Mietta Burton finishing it off with a goal. The Girls 1st, although suffering a few injuries had a good win against Collegiate.

Girls 1st Hockey: Defeated Collegiate 3-0 and lost to Friends

Girls 2nd Hockey: GYC lost to Friends 1-0, drew with Fahan 1-1

Boys 1st Hockey: GYC defeated Friends 1-0 and Hutchins 5-2

BOYS AND GIRLS WATER POLO

Both Water Polo teams have demonstrated their strength in the pool over the past fortnight with wins in every game. The boys continued to play water polo at a high standard with defeating both Friends' teams, against the Blue Team 17-1 and Red Team 16-3. Myles Hall played very well in goals making a number of critical saves. Up the other end of the pool with some effective teamwork, the GYC Team have dominated in attack with Corin Arkell and Duncan Suttill scoring many of the goals. The girls had a great game against Friends', working effectively together and enjoying the game to come away with a clear victory 10-3.

CANOE POLO

The Canoe Polo team have continued to show great improvement with a defeat against Friends 5-1. It was a great game with Cassie, Charlotte and Eloise playing extremely well with JJ and Jacob assisting in attack. The ability to maintaining possession for majority of the game resulted in 5 great goals with an awesome one scored by Cassie. This week GYC played against a more experienced Hobart College team who had many adults playing, unfortunately GYC were unable to match their level of expertise.

TERMS 3 AND 4 SPORT REGISTRATIONS

Students currently have the opportunity to sign-up for the various sports on offer for the remainder of the year. Registrations need to occur by Friday 17 JUNE.

Sports and competitions available Term 3

- Badminton: Girls, Boys and Mixed
