- 19 Beauty and the Beast - The Musical
- 20 Beauty and the Beast - The Musical

INFO FOR STUDENTS

NATIONAL YOUTH SCIENCE FORUM

The NYSF Year 12 Program is a program that gives students a broader understanding of the study and career options available in STEM. In 2023, the NYSF Year 12 Program will run from **10 to 24 January**. Students will have opportunities to:

- * undertake tours of science and technology facilities, and learn about cutting edge research
- * learn about university and STEM career pathways
- * mix with other like-minded students from all over Australia

Early bird applications close 24 July!

Apply now: <https://www.nysf.edu.au/programs/year-12-program/>

WLF - BUSINESS ACCOUNTING CADETSHIP

Applications are open for the WLF Accountant Cadetship Program. Only for Tasmanian Year 12 students with an enrolment in Accounting. As a cadet you will work in a full-time position while undertaking concurrent part-time study towards a **Bachelor of Business** (Accounting major) at the University of Tasmania.

WLF provides paid time off to attend lectures and tutorials, as well as for exams.

If you would like to know more please contact Deb Winton Pathway and Career Counsellor or via careers@wlf.com.au

UNIVERSITY OF TASMANIA - SCHOOLS RECOMMENDATION PROGRAM NOW OPEN

The University of Tasmania together with schools have a program to help Year 12 students receive an earlier offer for undergraduate courses in 2023.

The Schools Recommendation Program allows Australian Year 12 students to apply for up to five courses. If students submit an application, they'll receive an offer by 25-26 August.

Student & Family

Rather than an ATAR, your application is based on your school's recommendation and Year 11 results as well as other considerations.

Submit your application in by August 1 to be eligible for a main round offer.

NOTE - Applications, assessments and offers work differently for some Health and Medicine courses. This year the Bachelor of Nursing will be available through the SRP.

If you have any questions or concerns, please contact the UTAS team at student.recruitment@utas.edu.au or you can contact Deb Winton Pathways and Careers Counsellor

Faith & Mission

RELIGION IN SOCIETY 2

During Refugee Week we were very fortunate to have Gabrielle Gee from the Red Cross who is a Project Officer for Migration Support Programs in Tasmania visit our Religion in Society 2 classes. Gabby brought Sonama and Julie with her and they provided firsthand experiences of refugees now living and working in Australia.

This is part of the very successful Red Cross Pathways to Protection program designed for secondary students. The students found the talks interesting and with the inclusion of interactive activities and resources the sessions were engaging, informative and uniformly enjoyed. Gabby and her team will return in Term 3 to speak to Faith in Action 2 classes.

ST VINCENT DE PAUL

Along with our annual Winter Woollies Clothes Drive, the focus for Term 3 will be on advocacy for the homeless in Hobart. Maria Fracalossi, Education Officer with the Josephites, has created an education and letter writing package which will be reviewed in Faith in Action classes next term. Advocacy is not only an important life skill, but it also counts toward volunteering hours for students.

STUDIES OF RELIGION 3

This last term our students have been studying Ethics and preparing for their mid-year examinations. We look forward to welcoming more guest speakers back to our classroom next term as we look at the challenges for the Jewish people that have continued to flow from the Holocaust as part of the Contemporary Challenges Unit of Studies of Religion 3.

The current Studies of Religion 3 and Religion in Society 3 TASC courses are being rewritten and Guilford Young College has been a sponsor school and provided regular input into the writing of the new courses set to be delivered in 2024. The Good News for Living course, written by Catholic Education Tasmania, will not be delivered as a Religious Education course option until 2024, the Faith in Action 2 course will continue to be delivered as an Religious Ecation option in 2023.

GUILFORD YOUNG COLLEGE ASSISTS THE CATHEDRAL PARISH

In the midst of all the exams and preparations for building at the Hobart Campus, the Chapel of St Virgil (the chapel retained its historical name) at the Hobart Campus is going to be the site for all the Cathedral parish masses on Saturday and Sunday for the next few months. Like ourselves, the Cathedral is undergoing renovations over the next few months. There has been a great deal of background work and preparation that has taken place so that all weekend parish masses can take place at our beautiful chapel at the College. The Cathedral weekend mass times are Saturday 5.00pm, Sunday 10.30am and Sunday 6.00pm.

Faith & Mission

VINNIES BUDDY DAYS – JULY SCHOOL HOLIDAY OPPORTUNITY TO VOLUNTEER

When: Thursday 14 July and Tuesday 19 July

Where: The Hub Moonah/Zone 3 Laser Tag (14th) and Tahune Airwalk (19th)

Please contact Mrs McManus or Ms Sullivan for more information or youth.south@vinniestas.org.au

EDDIE RICE WINTER FUNFEST!

When: Monday 18th to 22nd of July (Daily) **Where:** St Aloysuis Gymnasium Kingston

Staff members present: Brendan Webb **Training time:** Monday 18th - 9:00am to 2pm

Program times: Tuesday 19 July to Friday 22 July - 9.00am to 3.30pm Daily

*Volunteers are helping each other with carpooling. If you have any arrival or departure concerns please contact Brendan Webb

PROGRAM CONTRIBUTION: As we know this is a difficult time for many. The base cost of this camp is \$50 (*This is to cover the costs of transportation, catering, accommodation, equipment and training for the program), for discussion around payment and support please speak to Andrew Blackett. Payment can be best made in cash on the day or request an invoice to be sent via email.

NAIDOC WEEK

This week we celebrated NAIDOC Week in support of the theme Get Up! Stand Up! Show Up! Our staff and students have been getting up, standing up and showing up at a range of events this week at our College celebrations and in the wider community.

At College, we have dedicated our extended Wednesday tutor session for Year 11s to First Nations histories, cultures and languages through presentation of short films, music and thought provoking articles on what it means to be a cultural ally. Ms Tess Henry's Cookery II class generously provide morning tea for Tutor classes using come cultural foods - Lemon Myrtle Cookies and Wattles Seed Chocolate Cookies. All Year 12 students celebrated with a BBQ of Wallaby sausages and hamburgers at Glenorchy Campus.

Staff attended the Catholic Education Tasmania NAIDOC celebration day of yarning, weaving, story telling and song, and An Evening in Conversation and Poetry at the Longhouse showcasing the work of award winning Tasmanian Aboriginal writers Adam Thompson and Nathan Maynard and poets including very moving readings from Uncle Jim Everett.

NAIDOC WEEK

NAIDOC Week is about celebrating the success of the First Nations Community and our students at Guilford Young College are doing amazing things in the sporting and academic areas. Year 11 and 12 is a busy and sometimes stressful time at the best of times, but these young people have been balancing their studies with significant state-wide and national success!

Hannah Brereton - selected for the Under 19 State Netball Team

Jack Callinan - a member of the Under 18 Devils

Claire Ransom - GYC Football Captain and recently selected for the AFLW Draft Gold Coast

Noah Clarke - selected for the Under 18 State Basketball Team

Xavier Clarke - selected as reserve for the Under 18 State Basketball Team

Bellah Parker - selected for the AFLW Indigenous Academy, U19 State Netball

Eliza Van de Kamp - Student Leader and member of the Hobart Chargers Women's side in NBL1 winning 4 championships with the Senior Women's Div 1 team. Also U20 State Basketball Team

Joe Mathers - Took up Olympic weightlifting in February of this year. In his second competition for this sport, he qualified for the U17 age group National Championships. At the Nationals on June 2nd, Joe placed fourth in a class of experienced lifters and broke the Tasmanian state record for the snatch.

Congratulations to these students who are achieving amazing things as leaders, as sportspeople and as cultural ambassadors.

Kristin Leeds and Brendan Kull

SCHOOL BASED APPRENTICESHIPS

Guilford Young College has 29 students who are undertaking school-based apprenticeships in which they attend work one or two days each week and College the remaining 3 or 4 days. These students are completing industry qualifications whilst at work in a diverse range of areas including construction, aquaculture, beauty services, hospitality, electrotechnology, business, agriculture and early childhood education and care to name a few.

Elyza Crespan is currently undertaking a Certificate II in Workplace Skills with the Department of Police, Fire and Emergency Management each Monday. She is really enjoying the opportunity to apply the skills and knowledge that she is learning through her training.

Elyza has had a positive impact on her workplace, being instrumental in starting a Red Cycling program as part of her Environmental Sustainability unit. Her supervisor is very proud of this initiative and the way Elyza has quickly become a valuable member of their team. Elyza has taken ownership of a number of tasks in the workplace, including the scheduling and agenda for the weekly team meetings and taking the minutes.

Marianne Smith

THEATRE PERFORMANCE

Theatre Performance students have started work on their end of year production of Dorothy Hewett's play *Joan*. This will be the third full length play this class have worked on together. As always, they know that step number one is to prepare their scripts. Students of Drama and Theatre Performance paste their scripts into a bound notebook, highlight their lines and annotate their scripts with notes and directions throughout the rehearsal process. These documents become treasured mementos of the plays in which they are cast. More information about *Joan* will come throughout Term Three.

Matthew Stolp

DR HILL VISITS GYC

On Monday 4 July, Dr Peta Hill from the University of Canberra (formally UTAS) visited Guilford Young College Biology classes to present information about her research on the Tasmanian Spotted Snow Skink. Dr Hill's research is based around temperature as a determining factor for the sex of the offspring. Her research has found that at high altitudes and low temperatures an increase in skinks will be born with male reproductive anatomy but with two X chromosomes which is genetically female while at lower altitudes and warmer temperature sex reversal was less common.

Students had the opportunity to speak with Dr Hill about all aspects of her research including: how to conduct scientific experiments on live animals; how she collects the pregnant skinks from the Central Plateau and Orford; how she made her own terrariums and the size of the room needed to hold 100 skinks; how she keeps variables constant in the lab including use of lamps, basking rocks, type of food and water and nesting materials and how she has to care for the skinks continuously over the 5-6 month gestation period. Dr Hill also showed the students the ethics application required to run experiments on live animals which was extensive and provided an important insight into the world of experimentation for the students.

Finally, Dr Hill explained how genome testing was required to determine the sex of the skink. She described how she had to take tail samples which were then sent to a lab in NSW for genome testing to determine which sex chromosomes were present in each skink born.

Her visit was such an eye opener for the students and her enthusiasm for her work was a pleasure to witness. Thank you from all the Bio students at GYC.

Rebecca Clifford and Melissa King

Head of Faculty Science and Digital Technology and Laboratory Manager

The Guilford Young College
Production of

Disney BEAUTY AND THE BEAST

17 - 20 August
Don Bosco Creative Arts Centre
Mill Lane, Glenorchy

Tickets for our College Musical, Beauty and the Beast, are officially on sale! Be sure to book in and not miss out on this fabulous performance!

Tickets can be purchased here: <https://www.trybooking.com/BZSQI>

In preparation, our cast has set to the task of getting into character and answering some questions ...

MILK MAID - Harmony Mus

Favourite line from the show: "10 pounds!" or "through a mist, through a wood, where within a haunted castle somethings lurking that you don't see everyday!"

What are your hobbies: Drawing, cooking and reading

What was the last TV show you binge-watched? The Owl House

What type of music are you into? Pop

What's your favourite board game? Guess Who

Are you an Introvert or Extrovert? Introvert

Do you prefer the beach or the mountains? The Mountains

What was the last thing you read? A recipe for custard tarts

If you could only eat one food for the rest of your life, what would it be? Chaliapin Steak Donburi

What's your most prized possession? My Recipe Book

What's the worst job you've ever had? Looking after animals

What is your favourite dance step? Twirl

COGSWORTH - Hartley Jak

Hobbies? Bird watching, yelling, and making, Pouring, and drinking tea

Last tv show I've binged? Television is bad for your eyes, nothing like some fresh air

Must eat one food the rest of your life, what would it be? Porridge

Most prized possession? My father's pocket watch, how ironic

Worst job I've ever had? Every job I have had has been wonderful, nothing like being productive and earning some cold hard cash.

Sports News

SPORT NEWS

It has been an exciting end of Term with many teams contesting finals, with some becoming premiers while everyone performed admirably. The Sport Coordinators would like to acknowledge the outstanding efforts of all the coaches, managers and players. It really has been a great team effort and every performance has been a joy to watch. GYC are extremely fortunate to have such exceptional coaches involved. There has been much improvement, outstanding performances and excellent commitment. We would like to take this opportunity to thank the following staff:

Football: Mr Peter Di Venuto, Mr Blair Brownless, Mr Michael Gowans, Mr Mark Beck, Mr John Covington, Mr Chris Elwell and Mr Ethan Artis

Hockey: Mrs Clifford, Mrs Anne Boyle and Mel Brown

Canoe Polo: Mrs Jane Stephenson and Mr Brodie Jeavons

Water Polo: Mr Thad Rose and Mrs Simone McManus

We are also very fortunate to have some talented Alumni coaching teams: Harry Winch (Boys Hockey), Hunter Wright (Girls Water Polo) and Joe McMullen (Boys Water Polo).

During this last week of term, sporting trials have begun for boys and girls Soccer and Netball. These will continue during the first week back next term. It will be a busy and exciting Term 3 with the following teams representing GYC: 5 Netball teams, 5 boys Soccer teams, 2 girls Soccer teams, 3 boys Volleyball teams, 9 Badminton teams and 1 Rugby team. Thank you to all the students who have signed up and to all the coaches and managers. If any parent would like to be involved please contact the Sport Department: Mel Brown mbrown@gyc.tas.edu.au or Peter Di Venuto pdivenuto@gyc.tas.edu.au

Link to Sport Facebook page:

<https://www.facebook.com/GYC-Sport-104209168975287/>

CANOE POLO

The GYC Canoe Polo Team improved with each game of the season to qualify for the Grand Final and then took on Hobart College and won 9-6. It was an amazing team effort led by experienced and enthusiastic coach Jane Stephenson assisted by Brodie Jeavons. The Team should feel very proud of their success and it has been wonderful to see the sport grow this year with more students getting in the pool to play each week.

BOYS 1ST XI HOCKEY

The Boys Hockey Team had a tight game against The Friends School ending in a 1-1 draw to be awarded the Southern SATIS premiers. Jack Pritchard played well in defence with Jaxon Sproule, Josh Hine and Mat Murphy setting up many plays in the midfield. Will Ashby and Myles Hall had some crucial touches in the circle while Ruben Hoey displayed his outstanding skill and ability to maintain the possession of the ball. GYC will now represent Southern SATIS in the State Final at the end of Term 3 after the Northern SATIS roster has been played. The following week the GYC Team then faced a very experienced Combined College Team in the Southern Hockey Association Final. It was a tough game with GYC being slightly undermanned. Oliver Kelly continued his great season in goals with making many important saves. Bailey Smith once again played extremely well and has been consistent throughout the roster.

GIRLS 1ST XI HOCKEY

The GYC 1st Girls Hockey Team for 2022 had another successful year which culminated in them making the Southern Final. With the majority of players already involved in hockey at the club level, the depth was excellent for a school team. The girls were always inclusive of all players and worked well together as a group throughout the season.

The Southern Hockey Div 1 Grand Final was a tough game. Friends also had many quality players and majority of the play was in their attacking half with many shots on goal expertly saved by Jessica Stevens. The GYC girls rallied and tried to work the ball out of defence guided by our mid-fielders Captain Taylor Brooks, Vice-Captain Ansa Le Grange, Sophia Di Venuto, Amy Smith and Felicity Wilson-Haffenden playing sweeper. Ellie McDonald, Hannah Powe and Anna Cosentino were constantly under pressure in defence and found it difficult to work the ball through to our strikers Bella Lowe, Summer Bennetto, Charlotte Howells and Emily Sheen. We certainly missed our Vice Captain Maddi Brooks out due to injury and formidable striker Emma Fenner. Friends were unrelenting on the day and scored 2 goals to win the match.

It has been an absolute pleasure to coach many of the girls over the past two years and I wish the Year 12 members well with their hockey in the future.

Rebecca Clifford

CROSS COUNTRY

Five GYC students braved the elements at Symmons Plains to represent the school in the State Cross Country Championships last Tuesday. Haney Mokonen (Captain) led the way with an excellent run in the U/20 Boys 6km race finishing second, ably supported by Callum and Liam Banasik who ran strong races in the opening event of day. Once completed and cooled down, the boys waited until the final event to cheer on our U/17&18 Girls where Meti Duggan competed brilliantly to just miss a place in the U/18's race finishing 5th, with Lottie Horton giving her great support during the 4km race before succumbing to injury.

Peter Di Venuto

GYC GIRLS WATER POLO

We have had a great season of Girls Waterpolo at GYC with the inclusion of our goalkeeper Grace Main. We wondered how we would manage without Peter Kube but Hunter Wright (former GYC) has managed to fill these big shoes admirably as coach. Hunter has already flown overseas with the Australian Under 21 team so we hope we can make him proud this Friday at the final game. We anticipate a guest visit from Mr Kube to lift our spirits and assist Joe McMullen on the night. We have managed to win the majority of our games (7 out of 8) with just one bye and one loss.

Hobart College are above GYC on the ladder and not only are they the team to beat in the competition, but we meet them again in the final this Friday. Our capable co captains are Mary Clingeffer and Samantha Rickwood - we have had a star new recruit from Queensland in the arrival of Audrey Cambridge. Our regular goal scorers include Mary Clingeffer, Sam Rickwood, Maya Chapman and Nicci Brcic. Trainings have been well attended and fun for this determined, friendly and hard-working team. Each week after skills and drills - a friendly match always takes place with the Boys Team and the girls can certainly hold their own in the pool.

There is no better place to be on a cold winter night than at the Doone Kennedy Aquatic Centre for the final season game. The students would value your support this Friday night at 8.45pm as they engage in what will be a challenging finals game.

Simone McManus

Team Manager

GYC BOYS WATER POLO

The combined GYC/Hobart College Boys Water Polo team has won six of their seven games this term and finished the roster second on the ladder behind the Rosny/Hobart College team which played eight games (with only one BYE) and had seven wins. The GYC/Hobart College team will now play the Rosny/Hobart College team in the Water Polo Tasmania College Boys Grand Final this coming Friday, 8 August, after GYC defeated the Friends Red team 16 - 4 in the Semi-Final last Friday, 1 July. Our combined team has only 11 players this year, but they are a very committed and determined group and train every Tuesday night under the guidance of their inspirational coach Joseph McMullen. The team captain and vice-captain are Corin Arkell and Jack Cassidy. The leading goal scorer for the year is Corin Arkell (31) and the other main goal scorers are Archie Butler (15) and Oliver Pooley (15). The team has only two players from Hobart College, but they have made a very significant contribution to the team's overall success. The two Hobart College players are the keeper Joshua Clement and Liam Bosworth (with 13 goals).

The Grand Final this coming Friday 8 July is at the DKHAC at 8.00pm. It is the last day of Term 2 and everyone is encouraged to come along to support the team. It is destined to be very exciting game and a large crowd of supporters rallying and cheering for our team would be a definite advantage.

In their first game against the Rosny/Hobart College team GYC/Hobart lost 7-8, but in their second roster game GYC/Hobart won 8-7. So, the game this Friday is definitely going to be a thriller.

Lastly, the GYC Girls Water Polo team have also made Grand Final and are playing against the minor premiers, Hobart College, at 8.45pm. Your support could make the difference for both GYC teams, so come to the Hobart Aquatic Centre and enjoy the excitement this Friday night.

Thad Rose

Team Manager

GIRLS 1ST XVIII FOOTBALL

GYC became the first school to win two SATIS Girls Football titles since the competition started in 2017 after the current team defeated Scotch Oakburn College in the State Final in Launceston. The 32 point win (6.9.45 to 2.1.13) was set up with a strong 2nd quarter display. The team received plenty of drive from midfielders Madi Lamb, Millie Bannerman and Brooke Barwick after Emma Upton dominated the taps, while Sophie Ferguson and Olivia Read were unbeatable on their respective wings. This provided plenty of opportunities to power forwards Georgia Clark and Bellah Parker who were exceptional in the air and any spoilt marked was crumbed beautifully by Co-Captain Amity Chick, Grace White and Emma Fenner. The backline was almost impenetrable, with Cassie McLoughlin, Talia Atkinson, Ella Wagner, Mackenzie Banks & Dasash Denekew holding any Scotch attacking moves at bay. In her last game for school after being drafted, fellow Co-Captain Claire Ransom was exceptional at the toss of the coin, coaching the midfield and providing commentary of the game on the live stream, before signing off with a speech during the Trophy Presentation.

Well done to all girls who represented the school in football throughout the season. With a number of Year 11s in the squad, we again expect to challenge next season. Thanks to assistant Mr Mark Beck for his valued coaching input, Mr Covington for his managerial duties, and to Kylee Chivers and Jaxson Barron for their Trainer and First Aid expertise.

Peter Di Venuto

BOYS 1ST XVIII FOOTBALL

The Boys First XVIII team enjoyed another fine season culminating in another Grand Final appearance. After two previous undefeated premierships seasons, expectations and hopes were high for the team to record a rare three peat of premierships.

The team suffered a Round 1 loss to St Patrick's College Launceston but built momentum during the regular season with fighting wins against Scotch Oakburn, Launceston Grammar, Hutchins and Marist College.

One of the highlights of the season was an exciting 6 point victory against Hutchins at North Hobart Oval in front of a huge crowd. The team raised over \$500 for the Alex Gadomski Fellowship on the night which was a great effort. Alex's brother Lachie Gadomski addressed the players before the game in a fitting tribute to his late brother.

GYC recorded a convincing 32 point win against Scotch Oakburn in the semi-final. The scene was set for an epic Grand Final against traditional rivals St Pats.

St Pats proved too strong on the day and recorded a 64 to 20 point victory. The grand final team was superbly led by Captain Fletcher Hooker and Vice-Captain Bailey Aziz.

The team included ten Year 11 students and these players will form the backbone of the team next year.

A massive thank you to Assistant Coaches Michael Gowans, Peter Di Venuto and Mark Beck for their efforts during the season.

Blair Brownless

CONGRATULATIONS

NETBALL:

Ash Turner is the only Tasmanian who has been selected in the Netball Australia U19 National Squad after her outstanding performance at the National Championships in April. She will be staying at the Australian Institute for Sport in Canberra for the National Comp.

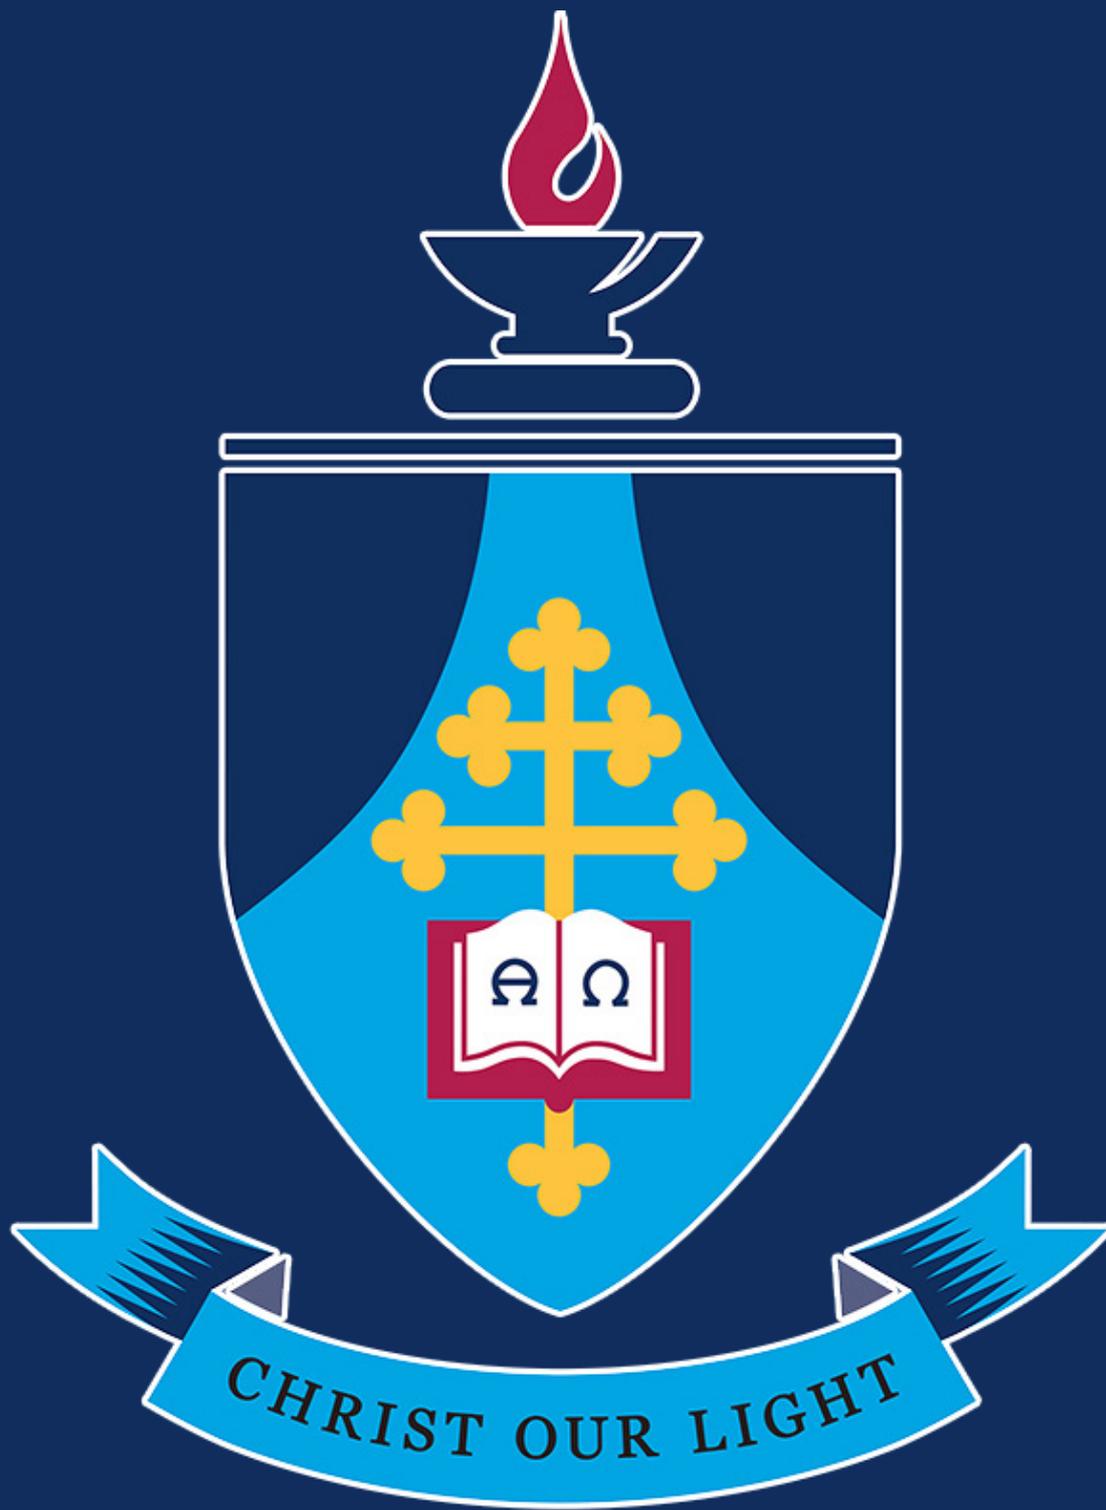

VOLLEYBALL:

Gabriele Edgar for being selected to represent Tasmania in the Under 23 National Volleyball Championships in Sydney.

WATER POLO:

Hunter Wright (Alumni 2021) who coaches the GYC Girls Water Polo Team for being the only Tasmanian to represent Australia in the U20 Water Polo tour in Europe.

gyc.tas.edu.au
